Menu

My meals are prepared with meat from our local butcher **Mr Starr and Asdean Farm**. I use fresh vegetables, (local when available), fresh herbs and loving hands!
No extra sugar or yeast is added.

Organic, lactose/yeast/gluten free stock cubes are used where possible.

I use a pinch of pink Himalayan crystal salt to flavour each meal batch (not each portion).

Gluten and dairy alternative meals; pies, cakes and puddings are available to order.

Puddings with no added sugar are available to order.

All meals are sold frozen; reheat in your oven or microwave for your convenience.

Please note all meals are prepared in my kitchen where gluten and nuts are used.

Every effort is taken to ensure that no gluten produce is prepared at the same time as gluten free produce.
